Experience

DESIGN CONSULTANT

FEB 2021 - PRESENT

RESTORATION HARDWARE | WESTLAKE VILLAGE, CA

Part of the design sales force team to assist gallery customers with immediate elite design services. Leveraging interpersonal and negotiation skills with design talents to transform walk-in customers into larger comprehensive design projects. Proven to reduce amount of returns and issues correlated with design-related complaints. Able to educate customers on products with knowledge of textiles, ergonomics, proportion and scale. Rapid use of AutoCAD space planning.

CO-DESIGNER & PROJECT COORDINATOR

JULY 2020 - JAN 2021

GAMBIT RESTAURANT | LAS VEGAS, NV

Co-designer and project coordinator for the renovation of a multi-faceted restaurant venue in Las Vegas, Nevada. Heavily involved in initial construction. Consolidated with contractors and electricians to execute design specifications. Oversaw FF&E supply chain (lead times, budgets, quantities, finishes, schedules, delivery and installation). Demonstrated proficiency in specifying furniture pertaining to demanding budget and timeline. Project scope: poker bar, dining patio, jazz club, tequila bar and VIP lounge.

DESIGN ASSISTANT

SEPT. 2019 - APRIL 2020

MINDY GAYER DESIGN CO, | COSTA MESA, CA

Assisted in designing multiple luxury residential projects. Involved in the design process from initial on-site measurements through to final installation and styling for photoshoots. Strong use of AutoCAD to produced custom elevations, elaborate millwork details, flooring schedules, plumbing and lighting plans for installations. Created elaborate digital presentations for clients showcasing all the design details of each phase. Appointed as lead designer for a large-scale renovation project based in Kirkland,

DESIGN ASSISTANT

SEPT. 2018 - FEB. 2019

LISA MCDENNON DESIGN, INC. | LAGUNA BEACH, CA

Heavy project coordination side of design for the highest end of luxury residential homes. Daily use of Studio Webware requiring extreme attention to detail and some accounting. Oversaw delivery and inspection, CFA approvals and creation of detailed bedding specifications in collaboration with upholsterer. Drawing of electrical plans for installations in AutoCAD. Spearheaded the gallery showroom design for the opening debut event of Lisa McDennon's Hinkley lighting collection in Dallas. Featured design in the Christopher Kennedy Design House for 2018 Palm Springs Modernism Week.

FF&E DESIGN ASSISTANT

MARCH 2017 - JAN. 2018

STYLE INTERIOR DESIGN, INC. | NEWPORT BEACH, CA

Responsible for selected all furniture, fixtures and equipment for large-scale multi-family commercial projects. Selection of commercial upholstery and materials for each item, furnishing leasing offices, waiting rooms, large community pools, fitness gyms, and more. In charge of project budgets and scheduling in excel. Implemented space planning using AutoCAD and created comprehensive design presentations via Indesign.
